

THOUGHTS of a DANCER  
By Regina Larkin

The Dancer :  
Seeks the truth,  
For the body follows the spirit of the mind.

The Dancer :  
Hears the sounds,  
Attentive to the world's thoughts.

The Dancer :  
Respects humanity,  
For harmony is the main ingredient.

The Dancer :  
Feels the passion,  
To physically create the unspoken word.

The Dancer :  
Loves themselves  
To wonder and care for others.

The Dancer :  
Survives challenges  
The strength builds courage in time.

The Dancer :  
Sings of beauty in motion  
Pure, true and magical.

The Dancer :  
Seeks the truth,  
For the body follows the spirit of the mind.
